

## Laboratory Technical Bulletin

Date: September 14, 2015

Effective Date: September 14, 2015

Title: **Special Request for Performing Laboratory**

Test: N/A

Explanation of change:

- Request to use a specific laboratory can only be honored after provider consultation with and approval by a CMC pathologist.
- Any testing that can be performed at the CMC Lab will be performed at CMC.
- If a test needs to be sent to a reference lab, it will be referred to Mayo Medical Laboratories (MML)
- To determine where testing will be performed, please go to the CMC Lab online test catalog at:  
[cayugamedlab.testcatalog.org](http://cayugamedlab.testcatalog.org)
- CMC pathologists are available at 607-274-4474
  - Dan Sudilovsky, MD
  - Beth Plocharczyk, MD
