Date: 03/12/21

Effective Date: 03/15/21

Title: Transfusion Card Update

Explanation of change:

A section on the Blood Product Transfusion Card will now be available to write in the Crossmatch Expiration Date and Time. The section will be located at the top of the card on the right hand side between the Unit Expiration Date/Time and the Compatibility Status. The expiration date can be found in the computer and is 3 days from collection date. The expiration time is the same as the collection time. This information can also be found under the Type and Screen order at the top right hand corner in Meditech.

A handwritten signature in green ink, appearing to be "E. Plocharczyk", is written above a horizontal line.

Date

03/12/21

Dr. Elizabeth Plocharczyk, Laboratory Medical Director
