Effective Date: 5/19/2021

Title: Alkaline Phosphatase Reference Ranges

Test: Alkaline Phosphatase

Explanation of change: Upon review of alkaline phosphatase reference ranges, we are providing a greater number of age classifications to more closely align with our reference laboratory at Mayo Clinic.

Old		New	
Age	Reference Range	Age	Reference Range
0 - adult	34-104 U/L	0 – 14 days	83-248 U/L
		15 d - < 1 year	122-469 U/L
		1 y - < 10 y	142-335 U/L
		10 y - < 13 y	129-417 U/L
		13 y - < 15 y	57-468 U/L
		15 y - < 17 y	50-331 U/L
		17 y - adult	35-149 U/L
