## Laboratory Technical Bulletin

Date: 6/4/18

Effective Date: 6/11/18

Title: Change in Units of Measure

Test: Triiodothyronine (Total T3)

Explanation of change: To standardize with the most widely accepted units of measure, Total T3 will be reported in ng/dL. The current reported unit of measure is ng/mL.

	Old	New
<i>Perform Site</i>	Cayuga Medical Center	Cayuga Medical Center
<i>Test Code</i>	T3	T3
<i>Reference Range</i>	0.87-1.78 ng/mL	87-178 ng/dL
<i>Specimen</i>	SST	SST
<i>Volume Required</i>	1.0 mL	1.0 mL
<i>Turnaround time</i>	Daily	Daily
